Darling Lover,

I got your letter of the 28th. tonite sweetie. The one you'd written in Toledo. I'm glad you had the chance to make the trip, and had a good time. Soon honey will be making little trips like that together, and wont we have some wonderful times.

Yes, sweetie I believe I could be induced to take you to this place Casey's. Especially since you make the proposition so attractive. What is it, a real classy nite club? Oh darling, it's going to be so wonderful going everyplace together. Wonder how I'll feel when I put that first good civilian suit on.

We'll never get used to being separated darling.

Every day I miss you more and more too, but most of it is all behind us now, and we can look forward to being together once again. Tonite is one day closer than last nite was, and tomorrow nite will be one closer than tonite.

You're such a precious darling to be married to Baby Fink, and every day I marvel at how lucky I am that you're my own darling wife. I'm going to be hugging and kissing you all the time. Are you going to mind having a tiger in the boudoir, sweetie? We'll have so much lovemaking to catch up on it will take us the rest of our lives, wont it darling? I can't think of a more pleasant way to spend the rest of my life sweetie.

You're such a sweet wonderful lover. You know all the little things I love so well. Oh darling I love you so very very much.

You made good time going to Toledo, honey. Sounds as tho' the car is running like a well oiled little peanut vendor. I hope it stays that way for a while 'cause I don't think we should buy a new car right away, do you honey? Everything will probably be so expensive for a while that if we wait a bit maybe we can get ourselves a nice little home. Well I guess we'll just have to see how things work out. It's going to be so nice to sit down, and plan a few things out together again darling just like we used to.

I'm enclosing millions of hugs and kisses and all my love for the dearest and darlingest and best wife in all the world.

Your own,  
Jack
